

Scott Uhlfelder Photography Rate Sheet

Food Photography Rate Sheet

Starting package: \$1500.00

- Initial consultation: A comprehensive discussion, either over the phone or in person, to explore how we can collaborate on meeting your unique business photography requirements.
- Full-day photo session: This package includes all the necessary photo equipment and a tethered laptop, allowing you to review images in real-time during the shoot, ensuring your vision is captured perfectly.
- Image delivery: You will receive a curated selection of 15 to 20 professionally retouched photos. These images are tailored for both print and social media use. Additionally, a single one-on-one session will be provided to address any further adjustments or corrections needed.

Customized Sessions

I understand that each client has different budgets and specific photography or video needs. Therefore, I offer personalized sessions to accommodate your requirements, ensuring a tailored experience that suits your unique vision.

Please note that the pricing details for each package will be discussed during the consultation phase to ensure a fair and transparent pricing structure that aligns with your budget and preferences.
